I SAW HER STANDING THERE (D)
Lennon/McCartney

Well she was just seventeen you know what I mean

And the way she looked was way beyond compare

So how could I dance with another - oooh when I saw her

standing there

Well she looked at me and I, I could see

That before too long I'd fall in love with her

She wouldn't dance with another - oooh when I saw her

standing there

BRIDGE...

Well my heart went boom when I crossed that room

And I held her hand in mi-iiiiiii- ine

Whoa we danced through the night and we held each other

tight

And before too long I fell in love with her

Now I'll never dance with another - oooh since I saw her standing there

REPEAT BRIDGE AND LAST VERSE
